## KENDALL MEETS ARKANSAS TEAM

Strong Razorback Gridsters to Be Played at Fayetteville, Ark.

## BELLIEU IS EXPECTED BACK

Star End to Be in Condition to Play; Young Also to Be in Shape.

Facing one of the hottest grids in the country for the southwestern football championship with Arkansas yesterday, Kendall gridsters yesterday afternoon started hard work to get in shape. Yesterday they had to gain the speed and strength desired but are more than 300 lbs. now.

Despite the loss of Bellieu, bell end and Bellouie center and their inability to use their running due to the presence of Arkansas' defensive and Oklahoma's offensive, the Aggies were able to hold a much longer score against Northwestern Saturday than was anticipated. The hard-fighting showed how well up-to-date football is progressing as the newer game features, making a majority of their points through the use of runs and few passes with no fakes and few passes.

### Deweese Wins Center Gap

It is expected that Bellieu will be able to return for the second half of the football season. An injured ankle and knee prevented the star wide man from participating in practice yesterday. Bellieu sustained an injury to his collar bone, fractured the second wrist of practice in the central camp and will probably be out for the remainder of the season. DeWeese, however, played well at the position, passing a few yards and holding his men in for a much longer score against Northwestern Saturday than was anticipated. The hard-fighting showed how well up-to-date football is progressing as the newer game features, making a majority of their points through the use of runs and few passes with no fakes and few passes.

Young, whose brilliant defensive play has been a feature of all Kendall games this year, and who like Bellieu is a factor in the offense, was forced to retire in the third period Saturday. Young's strenuous play and an injury to his hip necessitated his removal from last week's game but he will be in shape to face Arkansas Saturday. Other members of the squad escaped injury with the exception of minor bruises.

### Bellouie Workouts Planned.

Coaches McElroy and Schmidt are planning a hard week of work for the squad, the coaches will, with the exception of the Aggie game, be the hardest on the schedule and Kendall mentors are taking no chances of an upset, such as have been features of several big games this season.

The Thanksgiving date has not

been filled nor have negotiations for a post-season game with State been to be played yet, but an effort is being made to secure a leading southwestern eleven to fill that date.
